

K 910

Auto-tuning rechargeable wireless headphones

HIGHLIGHTS

- Around-ear, semi-open design; self-adjusting headband optimally conforms to your head
- Breathable cloth ear pads
- PLL synthesizer tuner for optimum transmission, even through walls and ceilings
- Auto-tuning function (AFC)
- Combined docking/charging capabilities of the base station

Black beauty.

The K 910 introduces brilliant sound and beautiful design ? all in one.

The K 910 offers a wide variety of features, including auto-tuning at the push of a button (AFC), 15 hours of playback, and a combined charging and docking cradle. All in a blackgloss finish that will blend in perfectly with your audio/video components.
